PLAYING SCHEDULE

12-22 July 2017

PLAYING SCHEDULE

The seeding structure for the FIL Rathbones Women's Lacrosse World Cup has been calculated through use of placing positions from the 2013 World Cup in Canada. Nations who are playing in the World Cup for the first time have been placed based on previous results, geographic diversity and their 2016 European Championship placing position.

The pools will play a round robin between the 12th and 18th July. The top placing teams from Pools B, C, D and E will play off to decide which 2 nations qualify to play in the Championship Division.

As of the 19th July nations will proceed to play in the Championship Division (Teams 1-8), the Platinum Division (Teams 9-16) and the Diamond Division (Teams 17-25).
